MEMORANDUM FOR: Executive Director

FROM: Director of Central Intelligence

SUBJECT: National Security Study Directive re
Comprehensive U.S. Energy Security Policy

They sure put a short fuse on these National Security Study Directives. They date it March 29 and want a response by March 31. I pass this to you because I hear, and I'm grateful, that you will take over my commitment to speak on energy and national security at the National Defense University. I suppose the DDI will produce a response sometime today.
